

HealthPlus AI Diagnostic Center

Master Health Checkup

A fictional learning package containing a general consultation and a defined set of basic laboratory tests. Package inclusions, exclusions, preparation, and current price must be confirmed against the booking record and Pricing document.

Learning/portfolio content only. Not for clinical use.

HealthPlus AI Diagnostic Center

Executive Health Checkup

A fictional learning package with an expanded diagnostic set. Eligibility and substitutions are decided by HealthPlus staff. The AI assistant can explain stored package information but cannot recommend a package as medical advice.

Learning/portfolio content only. Not for clinical use.
